11. SCHEDULED TRIBES SPECIAL DEVELOPMENT FUND (STSDF)
The aim of the Telangana Government is Welfare of the downtrodden, through well-designed welfare schemes, that cater to their needs. The Government is committed to support the Scheduled Tribes, who lack adequate opportunities to come forward and achieve their goals and fulfil their aspirations. The Tribal Welfare Department evolved detailed plans, focusing on raising the competencies of Tribal youth to enable them to secure a better future.

I am really enthused that the Government of Telangana under the leadership of Sri K. Chandrashekar Rao Garu, Hon’ble Chief Minister, is committed to accomplish the ambitions of the Tribals while implementing major flagship programmes like Education, Economic Development & Livelihood Schemes, CM ST Entrepreneurship & Innovation Scheme, Giri Bala Arogya Raksha, Exposure Visits to Tribal farmers, Farmer Producer Organizations (FPOs), Rural Transportation Plan and Driver Cum Owner Scheme, to enhance their standards of living and bring a new dawn with new hopes & dreams.

I wish the Tribal Welfare Department will work with increased energy, to live up to the expectation of Tribal communities on this ambitious journey.

I sincerely appreciate all the line functionaries who have contributed through their hard work in this collective endeavour, to accomplish the goals of the Tribal Welfare Department.

MESSAGE

I am extremely happy that the Department of Tribal Welfare is bringing out an Annual Report for the year 2018-19. This Report showcases the activities implemented by the Department and progress made for the upliftment of the poorest of the poor Scheduled Tribes.
MESSAGE

I feel contented that Tribal Welfare Department is bringing out the Annual Report 2018-19 “Empowering Tribals” for the 1st time which showcases the profile of the Department, its performance in various sectors together with Flagship Programmes of Government of Telangana.

The Government of Telangana has a clear vision in creating innovative programmes for the welfare of the Scheduled Tribes. It gives great satisfaction to me that all these well designed schemes/programmes are being implemented as envisaged in the Annual Report. The outcome of these innovative programmes, in light of the progress achieved by the beneficiaries is laudable. It is not an end of the development journey, but it is only the beginning.

I humbly acknowledge the able leadership and motivation provided by our Chief Secretary Shri S.K. Joshi, IAS in bringing out the annual reports for the Departments. I appreciate the sincere efforts of Commissioner of Tribal Welfare Dr. Christina Z Chongthu, IAS and her field functionaries in bringing out the Annual Report 2018-19. Let us rededicate ourselves once again to perform continuously and consistently to march towards achieving Bangaru Telangana with dignity and stability.

Shri Benhur Mahesh Dutt Ekka, IAS
Secretary to Govt.
Tribal Welfare Department
Government of Telangana
MESSAGE

For the first time, the Tribal Welfare Department has prepared a comprehensive insight into its activities, and more importantly, its outcomes, through our Annual Report 2018-19, which highlights the impact of Government welfare measures on approximately 31.78 lakh Tribal population in the State.

The challenges of working in the Tribal welfare Sector are many, but the satisfaction of working in this Sector is unmatched. The ancient culture of our indigenous Tribes, their simplicity and value for all forms of life, has given invaluable insights that motivate us to put in additional efforts in finding ways to address their felt needs.

It takes hard work, sensitivity and perseverance to implement programmes and Schemes successfully among Tribal communities, and the efforts put in by each and every member of the Department is commendable. This is not just a Report, but a tangible reflection of our collective effort in working with local Tribal communities, both in Scheduled and dispersed areas, with their diverse concerns and requirements.

The achievements of the Department in Education, skill development and livelihood assistance, innovations in promoting Tribal Entrepreneurs, establishing Tribal MSMEs and supporting emerging Tribal FPOs has been most rewarding. Efforts put in to help preserve Tribal identity through dialect-based Primers, documentation and research into their ways of living, and a wide-spread promotion of Tribal arts & crafts have yielded very positive outcomes.

I am confident that our Department will also be able to put in our committed efforts in right earnest this coming year, to ensure sustainable development for the Tribal populations we are privileged to work with.

“INDIGENOUS PEOPLE HAVE WAYS OF LIVING ON THE EARTH THAT THEY’VE HAD FOREVER.”

- ALICE WALKER
I heartily appreciate and congratulate the Commissioner of Tribal Welfare Department and team for their dedicated efforts in bringing out the Annual Report 2018-19. I am quite impressed by the selfless efforts of the entire TTWREIS team in implementing a number of path-breaking programs which are designed at discovering hidden talents of students. For the TTWREIS, 2018 was an eventful year marked by introduction of ‘Coding’ as the fourth language in its school curriculum and entry of a large number of students into premier higher education institutions like IITs, NITs, Delhi University, Medical Colleges, etc. It is praise worthy that TTWREIS has a proud place in the Government Education sector in India as it is a pioneer in establishment of exclusive Fine Arts and Sainik schools and Vocational Colleges, and launch of summer camps to prepare its students to work in an array settings in the 21st century.

It gives me immense pleasure to know that students have been moving from remote tribal villages to foreign countries in pursuit of higher studies and scripting their way to fame. On this occasion, I urge the TTWREIS team to continue their yeoman services with the same dedication and passion in the coming years to realize our ultimate dream of empowering marginalized children through quality education under the prestigious KG to PG Mission, thereby cultivating a new generation of marginalized students in Telangana, who can lead the country in the 21st century with self-confidence.

I Wish TTWREIS all success in its endeavours ............

Dr. RS Praveen Kumar, IPS
Secretary,
TTWREIS
Government of Telangana

MESSAGE

Telangana Tribal Welfare Residential Educational Institutions Society (TTWREIS) is on the path of great educational transformation for which we are ever grateful to the Hon’ble Chief Minister Sri. K. Chandrasekhar Rao Garu and the Hon’ble Minister for Welfare Sri. Koppula Eshwar Garu for their unstinted support and encouragement in successfully running Tribal Welfare Residential Educational Institutions.
AN OVERVIEW OF ST COMMUNITIES IN TELANGANA STATE

There are 32 Scheduled Tribes in the State of Telangana as per A.P. Reorganization Act, 2014. The Tribal population account for 9% of the total population in the State. ST population in ITDA districts is 52.96 % of the total ST population in the State and remaining 47.04 % Tribals inhabit the plain areas. The main communities of Tribals in the State are:

1. ADIVASI COMMUNITIES

I) KOYA: They are the numerically largest Adivasi Community of Telangana with a population of 3.81 lakhs spread across Bhadradri Kothagudem, Jayashanker Bhupalpally, Mulugu & Mahabubabad districts. Their main occupation is agriculture and livestock rearing. Their Samakka Saralamma Jatara (Medaram Jatara) is now the largest Tribal fair in Asia.

II) GONDS: The Gonds of Telangana State have a Population of 2.97 lakh and reside in Adilabad, Asifabad and Mancheriyal districts. Their main occupation is agriculture. Their traditional festivals are Nagoba Jatara and Dandari festivals.

III) PARDHAN: Pardhan community is spread across Adilabad, Asifabad and Mancheriyal districts with a Population of 0.24 lakhs. Their traditional occupation is Singing and storytelling as Bards of Gonds.

IV) ANDH: Andh community is spread across Adilabad and Asifabad districts with a Population of 0.13 lakhs. Their main occupation is agriculture. They have vast knowledge of medicinal herbs and plants. Their main festival is Siral.
2. PARTICULARLY VULNERABLE TRIBAL GROUPS (PVTG)

V) KOLAMS: Largest PVTG Community with 0.44 lakhs population, spread across Adilabad, Asifabad and Mancheriyal districts. Their main occupation is Basketry and Bamboo craft. Their traditional festivals are Bheemanna jatara and Laxmidevara Jatara.

VI) CHENCHUS: PVTG Community in Nallamalla Forests, with a population of 0.16 lakhs. Their main occupation is foraging, Honey gathering, Hunting and fishing. Their traditional festivals include Saleshwaram and Bhourapur Jataras.

VII) THOTI: PVTG Community in Adilabad Tract with a population of 0.04 lakhs. They are dependant community on Gonds. Their traditional occupation is Barding, Body art / Tattooing.

VIII) KONDA REDDIS: PVTG Community with a population of 0.02 lakhs. Their main occupation is bamboo craft. Their important festivals are Mamidi Kothapanduga.
3. DISPERSED TRIBAL GROUPS

ix. LAMBADA: They are the largest Tribal Community of Telangana with a population of 20.44 lakhs spread across the State. They speak Banjara language. Their main occupation is agriculture. Their colorful native dress and intricate needle work are distinct. Their main festivals are Santh Sevalal Jayanthi and Teej.

x. YERUKALA: These Tribals inhabit the plain areas of Telangana with a population of 1.44 lakhs, concentrated around Hyderabad, Rangareddy Districts. They speak yerukalabasha. Their main occupation includes piggery and Basket weaving. Their traditional culture includes Sooth Saying by women. Their main festival is Nancharamma jatara.

4. OTHERS: Nakkala, Kammara etc.,

I) ASHRAM SCHOOLS (TELUGU MEDIUM): Tribal Welfare Ashram Schools are running in a residential mode from Classes III to X. The Details of Boys and Girls Ashram Schools is shown below:

All TW Ashram Schools have good infrastructure and the results in Ashram Schools are on par with Residential Schools. (4580) Regular Teachers and (1931) Contract Resident Teachers are providing Quality Education to the STs studying in TW Ashram Schools and Govt. Primary Schools (TW).

II) TW HOSTELS (TELUGU MEDIUM): Tribal Welfare Department is running (149) Hostels in (31) Districts of Telangana with (26343) students from Classes III to X.
(149) Hostel Welfare Officers and (596) Tutors are providing Quality Education to the inmates of TW Hostels.

In TW Ashram schools and Hostels admission is guaranteed to all ST students on saturation basis and admissions are taken throughout the year and no documents or records are insisted for admissions. The Department is providing all facilities to the TW Ashram Schools and Hostels on par with Gurukulam Institutions. The Diet Charges of TW Institutions are as follows:

- The revised diet menu prepared based on the recommendations of NIN which includes Non-Vegetarian and other special items.
- Food Provisions and Cosmetics are supplied through GCC.
- 4 Pairs of Uniforms are being supplied to the inmates of TW Ashram Schools and Hostels through TSCO.
- 1 Bed Sheet, Carpet, Honey Comb Towel and Woollen Blanket are supplied to the inmates of TW Ashram Schools and Hostels through TSCO.
The institutions functioning under Telangana Tribal Welfare Residential Educational Institutions Society known as “Gurukulams” aim at delivering the academic standards. TTWREIS is operating 175 residential educational institutions (From Grade-V to X, Intermediate I & II Year and Degree Colleges) in English medium. The Society has been working with the motto of providing quality education to the needy and deprived ST children so as to compete with the other advantaged children.

III) TTW RESIDENTIAL EDUCATIONAL INSTITUTIONS (ENGLISH MEDIUM) - ‘GURUKULAMS’

The Tribal Welfare Department has established Education Cell, Academic Cell, IT Cell, PMS Grievance Cell for providing Quality and Better Education to the ST students.

- Project Monitoring Resource Centers (PMRC’s) have been established to monitor the academic activities at the District level.
- School Complex Resource Persons (SCRP’s) have been appointed to monitor Government Primary Schools (TW).

- Increase in competition for entrance into Gurukulams is an indicator of its growing strength and excellence.
- Many academic innovations are launched such as Digital learning through tabs in 12 schools through TABLAB programme.
- Monitoring attendance of staff & students through SAMS.
- KARADIPATH – Play way method to learn English, IGNITE FEST State level Literary & Cultural Fests to encourage talent.
- SWAEROLYMPICS – State level Games & Sports for Boys & Girls, Students’ lessons on Mana TV through T-SAT, IIT Study Centre & Long Term coaching for NEET aspirants.
- BharathDarshan for excellent performance by Staff & Students.
- PANACEA – Monitoring health 24/7 by a command centre at Gurukulam.
- QUEST, IMPACT, NQP Seminars, Summer Samurai Camps, Litter Free Campuses through waste management in all Institutions.

IV) TTWREIS JUNIOR COLLEGES (ENGLISH MEDIUM):

The Tribal Welfare Gurukulam is running 66 Residential Junior Colleges (Boys - 33 + Girls - 33) with a total strength of 8655 students (Boys - 4214 + Girls - 4441).
V) EKALAVYA MODEL RESIDENTIAL SCHOOLS (ENGLISH MEDIUM):
Currently (11) Ekalavya Model residential Schools (EMRS) sponsored by the Government of India are being run by the Department with a total strength of 4700 students and 173 teaching staff.
Many innovative practices like E-Plus and W-Plus, Karadipath, ANKUR, Science fairs, Super Students, Youth Parliament, QUEST, Summer Samurai are organised. The Telangana Tribal Welfare Educational society has successfully organized the 1st Ekalavya Model Residential schools sports meet in January 2019 in coordination with the Ministry of Tribal Affairs and had been a forerunner and torch bearer.

VI) TTW RESIDENTIAL DEGREE COLLEGES (ENGLISH MEDIUM):
Government of Telangana sanctioned 22 Residential Degree Colleges (Women-15 + Men-7) during the academic year 2017-18 for providing quality education to the rural Tribal Students.
The present students strength in their 22 TTWRD colleges is 4,912 (Men-1477+Women-3435).

SCHOLARSHIP SUPPORT TO ST STUDENTS:
The Tribal Welfare Department is sanctioning Pre Matric & Post Matric Scholarships to all eligible ST students pursuing 5th-8th, Inter, Degree, P.G., Professional & Research Programmes and whose parental income is less Rs.2.00 lakhs per annum. The expenditure during 2018-19 is as follows:

The Tribal Welfare Department is providing School Bags, School Diaries, One pair of Leather Shoe, One Pair of Sports Shoe, (2) pairs of Socks, Sports T Shirt and Short, Track Suit & Sports Kits to all inmates of TW institutions.

### AMENITIES IN TRIBAL WELFARE EDUCATIONAL INSTITUTIONS:

The ashram schools are equipped with adequate facilities to enable the students to excel in the academics. The Department is providing additional amenities like furniture, Computer lab, CC Cameras and Health Command Centre for the benefit of the students apart from the basic amenities like Uniforms, Bedding Material, Plates, Glasses, Trunk Boxes, Diet and Cosmetics.
Almarahs
Staff Lockers
Two Tire Cots
Steam Cooking equipment
Dining Tables and Benches
Teacher Chairs
Medical Examination room
Medical Infrastructure
Dual Desks
Pre-Fabricated Toilets in the Tribal Welfare Educational Institutions
Pre-fabricated wash area in TW Educational Institutions
In order to provide pure and safe Drinking Water to the inmates of TW Institutions, the Tribal Welfare Department has provided Reverse Osmosis Water Plants in (100) TW institutions.

**ACADEMIC INTERVENTIONS**

1. **COMPUTER LABS IN TW ASHRAM SCHOOLS:**

   The Tribal Welfare Department has set-up computer labs in (50) TW Ashram Schools in order to improve Digital Literacy among inmates of TW institutions. As a part of that 10-20 Computers have been supplied to each TW Ashram Schools through TSTS and Computer Instructors are engaged in all the (50) TW Ashram Schools.

2. **CCTV COVERAGE IN TW INSTITUTIONS:**

   • Since most of the TW institutions are running in interior tribal areas, in order to provide fool proof security to the inmates of TW institutions, CC Cameras are installed in all TW institutions.
3. AADHAR LINKED BIO METRIC ATTENDANCE SYSTEM:

Aadhar Linked Bio Metric Attendance devices are installed in all the TW institutions for monitoring attendance and to ensure real time monitoring of staff and students, leave management etc.,

Bio Metric Devices supplied and installed in TW Institutions

4. HEALTH SERVICES FOR STUDENTS:

To provide Health Services to the inmates of TW institutions, Health Screening through blood investigation, optometric tests, dental examinations and dermatological screening has been done and 24X7 Health Command Center set-up at O/o. CTW, TS, Hyderabad. Part time health coordinators are engaged in all the TW institutions and also supplied Medical Infrastructure under “Giri Bala Arogya Raksha Scheme”.

1.19 lakh students of 319 ST Ashram Schools and 149 Hostels are screened and 24X7 Telemedicine centre, ANM Services to inmates are being provided with a budget of Rs. 2.86 Cr

OUTCOME:

- Impact: Students with Chronic illnesses identified.
- Timely referrals for health care and reduced absenteesim of children due to early detection of health problems.
Budget during 2018-19 Rs.302.60 Lakhs towards the Health Command Centre

The successful implementation of Giri Bala Arogya Raksha has led to its extension for 2019-20 in Telangana. Other states like Madhya Pradesh & Gujarat have requested the scheme details for replication.
5. SPEED MATHS:

The Speed Maths program enables students to perform additions, subtractions, multiplications, divisions, squaring, cubing etc., quickly by doing calculations in their mind. Students can improve logical abilities and also speed and accuracy in doing calculations.

Teacher training has been provided to the Maths teachers of the Ashram schools, along with training material and soft copies of examination material.

- Each school where the program is implemented has been provided (2) Sets of Maths Key Material.

6. ENGLISH LEARNING THROUGH KARADI PATH:

- English Language Training is conducted through Karadipath in (55) TW Institutions on pilot basis during 2018-19.
- Proposed to extend the scheme to all the TW institutions and GPS (TW) schools.
7. SPECIAL COACHING FOR SSC STUDENTS:

Special coaching for SSC students was organised in 93 centers to provide extra subject inputs through digital content, motivational classes, study material and classes with additional subject experts. 9,968 SSC students were benefitted.

8. DIGITAL LEARNING:

Digital content has been installed in the (10) TW institutions through M/s First Object Technologies Pvt limited. The tutors are instructed about the usage of the system and demonstrate the digital content available in the system for the given subjects. The time table is organized for morning and evening remedial teaching.

- The tutors take 2 subjects for remedial teaching in the morning and 2 subjects for remedial teaching in the evening.

- The Tutor plans remedial class
- The time allotted for digital learning should keep the children focused and engage in technology aided education not to deviate from their curriculum.

9. E-STUDIO & E-CLASSES IN TW ASHRAM SCHOOLS:

Tribal Welfare Department has set up e-Studio at O/o Commissioner of Tribal Welfare, Hyderabad for providing advanced Satellite based education in Mathematics, Science and English through Tele Education for the students from Class 6 to 10. This facility is initiated in 50 TW Ashram Schools across 24 Districts in the State and 19023 students are taught 5 Classes a day spanning 45 minutes each for 200 days in a year. TSTS, Govt of Telangana has established the e-studio and will maintain it for the next 3 years.
Salient Features:

1. Best faculty and subject experts are engaged to deliver the content through Broad Casting Studio set up at Hyderabad.
2. Envisages Live and interactive education enriched with Multimedia content.
   - In view of the success of the programme, the Government of India has allocated Rs.1.00 Cr for the year 2019-20 for extending the scheme to 100 more Ashram schools.

   The students are benefitted through immediate doubt clearance, easy comprehension of the subject, and increased concentration by introducing the Digital Education through Computer Lab and e-Schools by way of visual/animated mode of explanation.

   Resulted in 19% increased pass percentages in the recent SSC Board Exam results when compared to 1% increase in other Government schools.
10. STAR STUDENTS LECTURE PROGRAM ON T-SAT CHANNEL

The Tribal Welfare department, Government of Telangana have provided RoTs to (319) TW Ashram schools (149)Pre-metric Hostels and (135) Post Metric Hostels to bring all these students under T-SAT Net work for providing digital education to tribal students of remote areas of Telangana State.

THE STAR STUDENTS LECTURE PROGRAM on T-SAT channel is provided to outstanding students from classes VIII to Intermediate of TW Institutions to take up live classes. Hence, a slot of 45min. (40 Min. Lecture + 5min. Interaction) from 10:35 AM to 11:20 AM initially for 3 days (MONDAY, WEDNESDAY AND FRIDAY) in a week is allotted to Tribal Welfare Department, Telangana State.

11. ORIENTATION PROGRAMME TO TEACHING STAFF:

Orientation training programme to all the Teaching staff of TW institutions was conducted at ITDA level through State Council of Education & Research Training (SCERT) in the following fields.

- Professional development
- New Teaching & Learning Methods
- Continuous & comprehensive education model.
- Right to Education Act.
- Preparation of Academic year plan, unit plans & lesson plans.
- Change in Text Book Curriculum.
- Co - Curricular & Extra Curriculum activities.

OUTCOME

- Improved confidence levels of the Teachers.
- Adapt the new teachers to the teaching environment.
- Facilitates Effective & Productive teaching methods.
The Ministry of Tribal Affairs, Govt. of India, New Delhi, and TW Tribal Welfare Dept has decided to prepare Dialectic Primers of Kolami, Gondi, Koya & Lambadi Communities for the Class-I students of GPS through TCR &TI, TS, Hyd.

The introduction & implementation of local languages of STs i.e., Gondi, Kolami, Koya and Banjara in the TW GPS schools of TW Department enables students to learn their subjects in integrated methodology & provide a more congenial atmosphere for educational development.

A workshop has been organized for the preparation of Dialectic Primers of Gondi, Kolami, Koya & Banjara languages and the community members concerned with commitment have been requested to contribute/share their knowledge in bringing out qualitative Tribal Language Dialectic Primers in Telugu script. The book contains alphabets/word vocabulary/rhymes/stories and songs.

Basic language book for classes I should be taken twice in a week as per the timetable allotted to them.

The phonetic charts are made with the content more familiar to the tribal communities, their folk songs and stories which create an interactive pedagogy.

OUTCOME:

Alphabet and phonetic charts are distributed to ICDS Anganwadicentres run by Women and Child Welfare Department for the benefit of pre-primary education.

SPECIALIZED ACADEMIC INTERVENTIONS

1. SCHOOLS FOR DIFFRENTLY ABLED ST CHILDREN:

The Tribal Welfare Department has setup a Special School at ITDA, Utnoor by name "VIKASAM" for the differently abled ST Children. The school meets the inclusive education concept and encourages the parents of the differently abled children.

- Equipped with specially trained teachers and consists of facilities like Hearing aids for hearing handicapped, Braille for visually handicapped, prosthetic aids for orthopaedically handicapped and medical care for the cerebral palsy children with special ramps and handlers for the physical safety of the children.

- 9 teaching and 14 non teaching staff with facilities like Individual desks with swivel chairs, audiology lab, physiotherapy equipment, Machines that help in hearing are provided to (118) children with an annual expenditure of Rs. 1.22 Cr.

OUTCOME:

- Parents financially relieved, children empowered, compassion of teachers.
Two more Special Schools are proposed to establish one each at Bhadrachalam and Eturunagaram in the year 2019-20 with Rs.1.00 Cr. The project will be implemented in convergence with the State TSP and the relevant scheme of Central Ministry in co-ordination with Department of Empowerment of persons with disabilities.

2. SPORTS SCHOOLS:

The natural ability of Scheduled Tribe Children are encouraged through Tribal Sports schools. The schools are provided with sports equipment, Running Track, Play Grounds and special diet for the sports students.

(2) Sports schools are developed at Eturunagaram of Mulugu District and Jatharla of Adilabad District. (2) Coaches for each school who have one year NIS Diploma have been appointed for the above Model Sports School.

OUTCOME:

- Increased Physical fitness of students, Increased participation of students in sports and competitions.
- Around 10 students have participated in National level sports competitions and few of them have won appreciation medals.
- Players who have shown exemplary performance at different levels(School level, Zonal, District and State Level) were identified and encouraged to bring out their sportsmanship in various fields of sports.
EXTRA CURRICULAR ACTIVITIES:
Tribal Welfare Department has organized various extra curricular activities to encourage the ST students to explore the strengths and talents outside academics and help the students to develop organizational skills.

1. SUMMER SPORTS CAMPS:
Summer Sports Camps were organized in the month of May 2018 for 912 students of TW Ashram Schools and Hostel in different sports events for 15 days in SATS stadium.

2. SCOUTS AND GUIDES:
Scouts and Guides orientation is conducted for 108 Scout Masters and Guide Captains by Bharat Scouts and Guides, Hyderabad.
The Scouts and Guides play an important role in shaping the personality and changing the attitude of the students in school life. In every school one Scouts/ Guides unit consists 32 students as per BS & G norms.

3. GAMES AND SPORTS MEETS:

School Level, Divisional Level, District Level, Zonal Level and State Level Games and Sports are organized for the students of TW Institutions. Sports and Games are essential for students as they not only maintain good health but also prepares them to participate in State and National level sports events. Team sports help the students to learn dedication, leadership and other social skills.

A 15 day Summer Sports Camp has been organized during summer holidays in May 2019 in collaboration with SAT (Sports Authority of Telangana) in SAT stadium. In May 2019, SPORTS MEET was organized at different districts: Gachibowli, Hyderabad district SAT stadium, Adilabad district And at Khammam and Warangal.

The tribal welfare students participated in various events like swimming, Boxing, Volley ball, Athletics, Judo, Badminton, Hockey etc. Students who participated and won at the National level were awarded with cash prize.

Schedule for tribal games and sports competitions at various levels are as follows:

1. School Level in August
2. Zonal Tournament in September
3. District Sports Meet in October
4. State level Sports Meet in November
4. SAILING AND YACHT TRAINING TO ST STUDENTS:

Yachting training is provided to 60 ST students in Hussain Sagar in coordination with the Yacht Club.

1. For the first time this training programme was conducted by TW Department during 2018-19 through Yacht Club Hyderabad and (60) TW Ashram Schools Students of Hyderabad District were trained in sailing.

2. The TW Department is planning to extend this sailing training programme to all the willing students of the TW Ashram Schools in future during Summer Vacations.

5. SUMMER SAMURAI:

Gurukulam has conducted Summer Samurai Camps during the summer vacation to explore the Tribal Students in the field of games and sports & extra curricular activities.
The Planetary Group, affiliated to the Planetary Society, India has been taking the students to visits to the USA and Canada to participate in the International Space Development Conference since 2014. Recently in May 2018, the Group successfully involved the students of TMREIS in the conference in America.

The students of Tribal Welfare Ashram Schools will be a part of “NASA SPACE KENNEDY SPACE CAMP” which will be held shortly for the students aged between 10 and 17 years. The best students with scientific temper and aptitude in astronomy will be selected through some test and viva.

7. BAL KHAGOL VGYANIC-WEEKLY VIDEO MAGAZINE-T- SAT CHANNEL:

Bal Khagol Vygyanik (Student Astronomer) – Weekly Video magazine on T-SAT channel - Selection of students. The students from all districts/regions will be selected basing on their pronunciation and communication skills to present the weekly video magazine on TV channel for 54 episodes.

The students will be trained in basics of Astronomy and Space Science in such a way that they can follow, track and observe various celestial events, ISRO/NASA Missions for 12 months in 2019.

The best students with good communication skills will be screened at Tribal Welfare department and the selected will be groomed to enable them to present the video magazine on the T-SAT channel.
8. SUMMER SUMMIT:

The TW Department conducted the Summer Summit to bring out outstanding skills of Tribal Welfare Ashram School Students in Co-Scholastic Activities.

Subjects like Photography, Computer Basics Computer Basics and Basic English and Basic English Speaking (PCBES) Speaking(PCBES), Art & Craft (A&C) Art, Literary Activities Essay Writing, Essay Writing, Elocution, Story Writing, Story Elocution, Story writing, Story Narrating, Singing Poems Narrating, Singing Poems (Telugu & Eng ), (LA) (Telugu & Eng), (LA), Dance, Songs & Cultural Activities Dance, Songs & Cultural Activities (DSCA) (DSCA) 5 Games, Sports and Yoga (GSY) Kutlu, Allikalu, Embroidery, Mehandi Making & Designing on hands (KAE & MM) are taught to the students in the summer camps.

All the GPS (TW) Schools have been tagged to an Ashram Schools for administrative convenience. This has paid good results.

9. CONSTITUTION OF SCHOOL COMPLEX:

Ten (10) to 15 Schools (Under the management of Govt and Tribal Welfare Department only) integrated in to a unit by a lead school is a School Complex.
OBJECTIVES OF THE SCHOOL COMPLEX:

1. Improve the Educational standards and administrative effectively of Schools functioning in the area of School Complex.

2. Facilitate supportive supervision to the teachers working in the schools under the School Complex improving the efficiency of the teacher.

3. Organize regular in-service training to the teachers to improve their competency.

4. Develop appropriate methodologies for effective training aimed at higher enrolment and retention of tribal children.

5. Ensure Comprehensive planning based on systematic survey habitations and ensuring that the children do not drop-out the school by working our vertical linkages between the various institutions and ensure smooth system of feeder institutions.

6. Close monitoring of the performance of the students at the pre-matric stage.

7. Conducting surveys for identifying School-Less habitation and taking steps to open schools in the District.

8. Conducting awareness among villages about education and encouraging them to participate in the school development programmes.

9. Conducting subject teachers meetings with model lessons.

10. TELANGANAKU HARITHA HARAM (TKHH):

Telangana Ku Haritha Haaram, a flagship programme of the Telangana Government envisages to increase the present 24% tree cover in the State to 33% of the total geographical area of the State.

As part of the Programme, the Tribal Welfare Department has planted 6,36,132 plants in all Tribal Welfare Educational Institutions in 4 ITDA areas. The students from the Tribal Welfare Educational Institutions have participated in the programme as a “Go Green” initiative. The required plants were raised in Horticulture Nursery & Training Centres (HNTCs).
Class X results: Pass percentage is 88.50%, 100% results in 138 TW Educational Institutions and 10/10 GPA for 15 students.

- Special classes conducted for SSC students in 93 centers to improve subject knowledge in Maths, Science, English & Telugu.
- The SSC pass percentage during 2018-19 is improved to 18.98% over 2017-18.
- The budget of Rs.300.00 lakhs is required for conducting special coachings for SSC students for the year 2019-20 towards tutors honorarium, cost of All in one books, special diet and Travelling charges.

**SPORTS ACHIEVEMENTS:**

1. Master K. Sameen Kumar & J. Santhosh Class X Students of TWAHS Kinnersani & Usirikayalapally have won Silver Medals in National level Kho-Kho Event conducted in Karnataka State.

2. (19) Students have participated in National Level Volley Ball, Hockey, Kabaddi, Archery, Boxing & Athletic Events.

**B. GURUKULAM SCHOOLS: ACADEMIC ACHIEVEMENTS:**

- Class X Results: Pass Percentage 95.49%, 100% Result in 15 Institutions, 10/10 GPA for 8 students Intermediate Results: Junior Intermediate-Pass - 72.56%, One college 100% pass and senior intermediate - Pass - 82.36%, Four Colleges 100% pass.
- JEE Advanced Results : 199
- Selections in IITs and NITs : IIT-24, NIT-32, IIIT-1, Medicine-2, BDS/BHMS-19
- Entrance tests of Universities : 35
SPORTS ACHIEVEMENTS:

- Kum. Swapna Divya & Dharavath Pounika, TTWRS (G) Kothaguda, Mahaboobabad dist. are selected in under 14 years, Weight 45 Kgs.
- Kata. Kumite from India to take part in International Open Karate Championship held at Fitness First Meadows, Dubai, on 10-11 May, 2018, she will be representing India in this competition.
- 10,500 students participated in 57 camps in 2018.

C. EKALAVYA MODEL RESIDENTIAL SCHOOLS:

ACADEMIC ACHIEVEMENTS:

EMRS students have participated in Zonal Level Music competition held on 12-09-2018 at Vizayawada, A.P., and got 1st, 2nd and 3rd prizes i.e., Rs.50,000/-, Rs.35,000/- and Rs.25,000/- respectively.
Giri Poshana-Nutribasket Scheme through ICRISAT:
The Ministry of Tribal Affairs, Government of India sanctioned Nutribasket Scheme, under this scheme nutritious food is being distributed to alleviate malnutrition among pregnant & lactating women, 3 to 6 years children.

As part of the programme the nutritional status of ST Women and Children is aimed to be improved in 3 selected Tribal aspirational districts of Asifabad, Bhadrachalam and Bhupalpally/Mulugu.

Accordingly the scheme is being implemented in coordination with ICRISAT through Anganwadi centres of Women and Child welfare Department. 12 mandals with total beneficiaries of 13098 women and children are covered with Rs.2.70 Cr.

OUTCOME:
- Reduction in cases of anemia, malnutrition due to enhanced bioavailability of micronutrients.
Convergence Programmes - Poshan Abhayan

Poshan Abhayan is implemented in coordination with Women and child welfare department to tackle malnutrition and to create awareness on balanced diet.

Awareness Programme on Balanced Nutrition

School Nutritional awareness programme

HEALTH SCHEMES FOR PVTGs

TRIBAL RELIEF FUND FOR HEALTH CARE EMERGENCIES

In order to address the needs of poor tribals in remotely located ST habitations of Particularly Vulnerable Tribal Groups (PvTGs) for timely health care, a new scheme of Tribal Relief Fund (TRF) for emergency health care and hospitalization was started. So far, (21) Tribals assisted under TRF with an expenditure of Rs.17.27 lakhs.
NUTRITIONAL SUPPORT FOR CHENCHUS
To address malnutrition among PvTGs, an exclusive scheme of Nutribasket for chenchus through ICRISAT is being implemented with a project cost of Rs.3.75 Cr under the Health and Nutritional support programme benefitting approximately 12,000 Chenchu women and Children.

RELAXATION OF NORMS OF KCR KIT FOR PVTGs
In order to address the dwindling population of Particularly Vulnerable Tribal Groups, the Health and Family Welfare Department, upon request of the Tribal Welfare Department, has issued a GO extending the scheme of KCR Kits to Multigravida Women beyond the general norm of 2 deliveries benefitting approximately 20,000 PvTG Women.

HEALTH SCREENING PROGRAM FOR PVTGs
Health Screening has been conducted for all the PVTGs in ITDA Utnoor area covering 12 varieties of screening tests like WBC, RBC, Hemoglobin, XCT, MCV, MCH, PLT, LYM, MXD, NEUT & Lipid Profile etc., in convergence with Nizam Institute of Medical Sciences (NIMS) and issued Health Profile Cards to 12,000 PVTGs.

RESEARCH ON TRIBAL HEALTH UNDERSTANDING INDIGENOUS FOOD RESOURCES OF CHENCHUS
The Nutritional status of Chenchus along with the nutritional value of the seasonal tubers and leafy vegetables accessible to the Chenchus of Nallamala Forest is studied in coordination with the National Institute of Nutrition (NIN) with a project cost of Rs.4.98 lakhs and the seasonal tubers and leafy vegetables are inventorised along with their calorific values.

CHRONIC KIDNEY DISEASE AMONG THE KOLAM POPULATION
The unusual raise of the chronic kidney disease among the Kolams of ITDA Utnoor are being studied through the National Institute of Nutrition (NIN) with a project cost of Rs.1.39 lakhs.

HEALTH SEEKING BEHAVIOR OF TELANGANA TRIBALS
To understand the Health seeking behavior among the Tribals, 3 interrelated studies are being taken up by TCRTI in coordination with the University of Hyderabad (UoH) with a cost of 14.72 lakhs.
ROAD CONNECTIVITY:
The remote habitations in the Scheduled areas and ITDAs and in plain area districts are connected by taking up all weather roads. The works are executed by Tribal Welfare Department in scheduled areas and in co-ordination with Panchayat Raj Engineering Department for connectivity of ST Habitations in Plain areas under Scheduled Tribes special development fund. The maintenance is handed over to the Panchayat Raj engineering department.

OUTCOME:

Impact: Accessibility to Education, Health care and Market increased.

Road Connectivity to ST Habitations
Educational Infrastructure in TWD
Ashram Schools:

Infrastructure pertaining to the Tribal welfare Educational institutions are strengthened by means of facilities like additional classrooms, dormitories, toilet and bathroom blocks, dining halls, kitchens, compound walls etc.,

OUTCOME:

- No of works taken up: 116
- No of works in progress: 100
- Expenditure incurred: Rs.62.32 Cr
- Nature of Works: Residential Schools, Post Matric Hostels, Working women's hostels, Youth training centres.
- ITDA Wise No of works taken up: Bhadrachalam-21, Eturunagaram-16, Utnoor-11, Hyderabad-68.
- Impact: Congenial atmosphere for academic purpose, increased quality of life in institutions.

Girijan Bhavans:

The community halls are constructed to strengthen the social capital of the ST Communities by promoting community solidarity and by facilitating celebration of various events. It is aimed to construct one community hall at each ST Constituency and at the Headquarters of erstwhile (10) Districts. 3 community halls are constructed at Yellandu, Ashwaraopet, Mahabubabad and another 23 are in progress

OUTCOME:

- Suitable venue for organization of festivals and celebrations, reduced cost of expenditure met on hiring of tents, chairs and mike sets etc.,
CONSTRUCTION OF SUB-CENTERS:
The construction of the sub centres in tribal areas is taken up to improve the health care accessibility in the tribal villages by providing necessary infrastructure in coordination with the Health and Family Welfare Department.

65 such subcentre buildings are taken up and another 112 works are in progress which are being constructed by Village Tribal Development agencies (VTDAs)

OUTCOME:
- Reduced absenteeism of ANMs and ASHA Workers, Increased delivery of immunization and ANC Services.

Construction of Domestic Ration (DR) Depots
The Domestic Ration (DR) Depots of Girijan Cooperative Corporation are constructed to store the ration material in the remote Tribal habitations for essential supplies to the Tribals.

7 works at Tekulapally, Aragudem, Cherla, Peddamidasaleru, Dammapeta, Projectnagar, Kothaguda and another 40 works are in progress.
OUTCOME:

- Damage of Grains and Ration material is prevented, Transportation cost and time is reduced.

ELECTRICITY:

As part of the Government's flagship scheme of waiver of electricity charges for the ST Households consuming 0-101 units of electricity for domestic purpose, an approximate 1 lakh ST Households are benefitted under the scheme.

Under TS SPDC (35946) ST Households are benefitted and under TSNPDC (64996) ST Households are benefitted.

OUTCOME:

- Improvement in Quality of life, Unauthorized power connections are reduced.

HOUSING:

As part of the CSR activity the Rural Development Trust was facilitated to construct houses for Chenchus in Remote Habitations in Nallamala through community based Housing scheme.

Government of India has approved to allocate Rs.5.82 Cr to take up the project of building up Model PvTG Colonies (194) Houses in 25 PvTG Habitations along with common infrastructure like roads etc., in 2019-20.
Empowering Tribals

WORKS UNDER MEDARAM JATHARA:

Rs. 20.28cr are spent for upgradation of infrastructure in the premises of Jathara site at Medaram. The works are executed through the line departments like RWS, R&B, TRANSCO and PR&RD etc.,

Significant allocations made for Information & Broadcasting, Police and Fire Safety etc.,

TRAINING FOR NEWLY RECRUITED ASSISTANT EXECUTIVE ENGINEERS AT NAC

The newly recruited Assistant Executive Engineers have been sent to Training in National Academy of Construction, Madhapur at Hyderabad for skill development in phased manner. The training was completed successfully by the newly recruited Assistant Executive Engineers and are working in the field.

OUTCOME:

- No of Assistant executive engineers trained: 22
- Duration of Training: 2 Months
- Impact: Increased confidence to work in the field, refinement of skills, Hands on experience
ECONOMIC DEVELOPMENT & LIVELIHOODS

I. INDIVIDUAL SCHEMES:

A. ECONOMIC SUPPORT SCHEME:

The Scheme is being implemented through Scheduled Tribes Cooperative Finance Corporation Ltd (TRICOR) to improve the income levels of ST families in the sectors of Agriculture, Animal Husbandry, Horticulture, Fisheries, Transport & ISB sectors.

- 13319 ST beneficiaries were supported for their livelihood in Agriculture, Horticulture, Fisheries, Animal Husbandry and ISB sectors and spent Rs.149.74 Crores.
- The average per capita expenditure is Rs.1,12,000/-.

SECTOR WISE SUBSIDY RELEASED

Grounding of the units under Economic Support Schemes
B. EXPOSURE VISIT TO TRIBAL FARMERS:

The program is aimed at creating awareness among the ST farmers on the modern agricultural practices in the sectors of Agriculture, Horticulture, Vegetable cultivation, Fisheries and Dairy etc., in collaboration with ICRISAT by organizing exposure visits to various locations in India where the best practices are in place.

- Exposure visit for 497 ST farmers has been organized by incurring expenditure of Rs.1.88 Crores.
- ST farmers acquired knowledge on latest Agricultural technologies and exposed to different Business avenues for a micro scale enterprises.
- Become lead farmers for transforming the knowledge gained to the neighboring Tribal farmers.
- Sensitized on value addition opportunities in their Crop chain.
- The average per capita expenditure is Rs. 38,000/- only.
C. CM ST ENTREPRENEURSHIP AND INNOVATION SCHEME (CMSTEI)

The Tribal Welfare Department has conceptualized to provide the required capacities and improve the caliber of the ST entrepreneurs in setting up/expanding their Businesses through well designed Business Plans in collaboration with Indian School of Business (ISB). The other stakeholders like Industries Dept., TSIIC, CII, DICCI, ALEAP, NSIC & SLBC are involved for effective implementation of the program.

(100) ST youth have been selected, trained & supported in preparation of viable Business Plans by ISB and submitted to SBI for sanctioning of Institutional Finance.

G. Kalyana Lakshmi:

Kalyana Lakshmi Scheme is a welfare scheme for providing financial assistance for marriages by the Government of Telangana to support marriage expenses for financially distressed families. The scheme gives an assistance of Rs.1,00,116/- and is aimed at preventing child marriages. During the year 2018-19, an amount of Rs.165,19,14,000/- was sanctioned to 16,500 ST families.

2. COMMUNITY BASED SCHEMES:

A. FARMER PRODUCER ORGANIZATIONS (FPOs):

The Program has been conceptualized to create physical infrastructure like Storage Godowns, Marketing sheds, Value Addition Processing units and Custom Hiring Centers etc., through Farmer Producer Organizations (FPOs) in a cluster approach in collaboration with NABARD and SERP.

- 25 Tribal FPOs promoted by NABARD & SERP have been identified for sanctioning of physical infrastructure for Agro-Business model and collective marketing. The expected outcomes are as follows:
  - Agriculture infrastructure will be created in Tribal Villages.
  - Storage facility will be created, which will help the Tribal farmers to sell their produce at a better price.
  - The maximum project cost under this scheme is Rs.60.00 lakhs.

Funding pattern:
Procurement of paddy by Farmer Producer Organization, Indervelly, Adilabad Dist.

B. C.Ms Giri Vikasam

A new initiative has been taken up to convert the uncultivable Agricultural lands of small & marginal ST Farmers into cultivable lands by creating irrigation facilities like Drilling of Bore well, installation of pump set and energization etc., in convergence with Rural Development Department.

- 33667 Acres of land pertaining to 11559 ST farmers has been identified with an amount of Rs.52.68 Crores.
- Extent of cultivable land is increased.
- Daily wage seeker have become farmers.

INDERVELLY FARMER PRODUCER COMPANY

FPOs - Success Story

Name of the FPO : Indervelly farmer Producer Company
Location : Indravelli, Utnoor (M), Adilabad Dist.
No. of ST farmers : 336
No. of villages covered : 45
Registered under : Companies Act
Ongoing Activities : 1. Procurement of Agri produce.
                   2. Supply of Agri Inputs.
Proposed Project under FPO scheme : Construction
                   Godown for 500 MTs Storage & Procurement) and Custom Hiring Center.
Project Cost : Rs.60.00 lakhs.
C. MSME PLAN

The Program is aimed at setting up of Micro Small & Medium Enterprises (MSME) like multipurpose processing plants like millets & cereal based foods, Dal processing, Turmeric & chilly processing and Soap/shampoo making units etc., in Tribal areas through Joint Liability Groups (JLGs) providing forward linkages through GCC. The Knowledge support, capacity building & skill trainings for Food Processing is done through ICRISAT and others through NIRD.
27 MSME units have been identified in Food Processing & Construction related trades. The expected outcomes are as follows:

- MSME units will be established in Tribal areas, thereby creating local employment.
- Supply of quality products to the Tribal Welfare Educational Institutions is ensured.
- The maximum project under this scheme is Rs.40.00 lakhs.

3. SPECIAL SCHEME FOR PVTGS - CONSERVATION CUM DEVELOPMENT PLAN (CCDP):

The scheme is being implemented under SCA to TSS for the overall development of Particularly Vulnerable Tribal Groups (PVTGs) i.e. Kolam, Thoti, Chenchu & Kondareddy in various sectors like Livelihood activities, Habitat development, Health, Education and Pre-Matric & Post Matric Scholarships.

- Released an amount of Rs.300.00 lakhs released to TSREDCO to take up the solar electrification to PVTG houses & Street light to the (30) PVTG habitations @ Rs.10.00 lakhs each habitation and Rs.134.50 lakhs for Establishment of community based R.O plant @ Rs.5.00 lakhs each (which includes drilling of bore well, submersible pump set & electricity connection) in (30) PVTG habitations at ITDA, Mannanur.
The Girijan Cooperative Corporation (GCC) is engaged in the purchasing of Minor Forest Produce (MFP) and Agricultural Produce (AP) to aid the income of the forest dwelling tribes who depend on the forests and natural resources for their livelihood. The honey, wild roots, leaves, seeds and medicinal plants are being collected by ensuring Minimum support price. Progress made during the Financial Year 2018-19.

- The Business turnover of the TS GCC during 2018-19 is Rs.237.75 Crores against the target of Rs.250.00 Crores constituting 95% achievement. The increase in Business turnover is Rs.65.41 Crores over 2017-18 business turnover.
- Minimum Support Price (MSP) is extended in remote interior Tribal areas.
- Revenues to forest dwelling tribes on Minor Forest Produces is increased.
- Quality Food provisions are supplied on time.
- Nutritional levels among the Tribal students is improved.
- Food security among the STs in the scheduled areas is ensured.

**GIRI SUPER BAZARS:**

Giri Super Bazars are opened by Girijan Cooperative Corporation (GCC) in ITDA areas to provide best quality branded consumable items at lesser rates than MRP as per their choice.

- 26 Giri Super Bazars are opened in ITDA areas through GCC societies.
- Branded consumable items are made available in the scheduled areas.
- Supply of adulterated item are prevented.
- Cost of consumption is minimized.
FUEL FILLING STATIONS:

Petrol filling stations are set up by TSGCC through its societies to overcome the shortage of fuel in the scheduled areas in the interest of Tribals.
- 3 Petrol filling stations are set up at Mulkalapally & Gundalain Bhadradri Kothagudem District and Kothaguda in Mahabubabad District in collaboration with Indian Oil Corporation Ltd (IOCL).
- Setting up of 23 more petrol filling stations is in process.
- Selling of Adultered fuel is prevented.

VALUE ADDITION PROCESSING UNITS:

Girijan Cooperative Corporation has set up various value addition processing units like Honey Processing unit, Chilli & Turmeric Processing units in the scheduled areas through its societies. The processed products are supplied to Tribal Welfare Educational Institutions and sold in open market under "Giri Brand".

- One Honey processing unit has been set up at Nirmal and Chilli & Turmeric processing unit at Sudimalla, Yellandu.
- Tribal farmers are getting remunerative price.
- Quality products are being supplied to the Tribal Welfare educational institutions.
- Employment to the local youth is generated.
TRIBAL ARTISTS WORKSHOPS:
To revive the art and craft forms of the Scheduled Tribes, fine tune the skills of the artists, the workshops are organized in coordination with the experts from Jawaharlal Nehru Architecture and Fine Arts University (JNAFAU).

OUTCOME:

- No of artistes trained: Gond(20), Naikpod(10), Koya(20)
- No of Training sessions conducted: 13
- Expenditure incurred for training: 15.79 lakhs
- Themes of Art: Gond-Trees emerging out of animals, Naikpod-Masks worn by them during festivals, Koya-Schematic painting in ochre colour
- Support of the Govt Departments - Departments like Audit and Accounts, GHMC, Health and Family Welfare have purchased paintings and also offered works on the wall spaces in their office premises.
- Earnings: Rs 6500 for 20” x 22” canvas and Rs.10.00 lakhs for 30”x 36” canvas. 15 artistes have earned about 10 lakhs

Impact: Increased confidence, pride of their identity, increased self-reliance.

The Tribal painters from Gond, Koya and Naikpod communities are groomed through professional guidance of State art Gallery and their works are marketed through CII and Amazon to provide avenues for marketing them for creating livelihoods.
VIDEO DOCUMENTATION OF TELANGANA TRIBES

Various Video Documentaries are made depicting tribal art, culture and Traditions, customs and Rituals highlighting the pride the tribals. A 3 day pardhan singing festival during the Nagoba event is documented by TCRTI through professional support of prize winning filmographer Ms. Jennifer Alphonse.

The seasonal festivals like that of Mohua Food festival, persapen, saleshwaram and Bhourapur are also documented.

The videos are available for screening for visitors at Nehru Centenary Tribal Museum.

DOCUMENTATION OF MEDICINAL PLANTS OF TELANGANA TRIBES:

As part of the Vana Bandu Kalyan Yojana (VKY) scheme of Ministry of Tribal Affairs (MoTA), the medicinal flora used by the Telangana tribes along with the Ethnomedical practices of the Tribal population are documented in coordination with the Department of AYUSH.

FAIRS AND FESTIVALS:

Various fairs and festivals of Tribes of Telangana are supported and celebrated.
Apart from the traditional festivals the World Indigenous People’s Day is celebrated on 9th August, 2018 felicitating the tribal artistes. In the Tribal Welfare Ashram schools, Gurukulams the event is celebrated by organizing the elocution, essay writing and quiz competitions.

Various festivals like those of Siral festival of Andhs, Bheemannajatara of Naikpods are proposed to be supported by the Department in 2019-20 under Grants in Aid of Ministry of Tribal Affairs.
TRIBAL MUSEUMS IN TELANGANA:

- Kumram Bheem Museum, Jodeghat
- Sri Sammakka Saralamma Adivasi Museum, Medaram
- Chenhu Lakshmi Museum, Mannanoor
- Nehru Centenary Tribal Museum, Hyderabad

TRIBAL TOURISM CIRCUIT:

The Government of India sponsored Tribal Tourism Project consisting of developing Kuntala, Saptagundala and Gayathri, Construction of an ethnic Gond Tribal village and renovation of Historic Gond Fort in Utnoor have been initiated in coordination with the Department of Heritage with a proposed cost of Rs.10Cr.
RECOGNITION OF FOREST RIGHTS (RoFR) ACT:

Under the Provisions of the Recognition of Forest Rights (RoFR) Act, title deeds were distributed to 94774 ST farmers who depended on forests for their bonafide livelihood needs. Of them 91971 beneficiaries were provided farm assistance under state flagship scheme of Rhythu Bandhu. The beneficiaries were also extended the insurance provision of Rhythu Bheema scheme. The district wise details are as follows.

MEDIA COVERAGE OF THE ACHIEVEMENTS:

Telangana, Uber flag off 100 cars under Driver Empowerment Programme

The programme was launched by the Departments of ST, SC, BC & Minority Welfare to enhance livelihood opportunities in the driving generation.

LEG UP Tribal selected under GM’s ST entrepreneurship, innovation scheme

In a first, Adivasi bizmen join ISB

PILLALAMARRI SRINIVAS

Achalad, June 17

Adivasi youth have created history of sorts by entering the prestigious Indian School of Business (ISB), Hyderabad, after getting through a tough selection process. Some of them have gone on to become entrepreneurs themselves.

Agriculture B.Tech holder Atram Roashan Kumar of Utnoor in Adilabad district whose father was a government teacher said, “I felt that my dream had come true when I entered the premises of ISB and interacted with the experts and academicians there.” He is one of seven Adivasi students from Adilabad, Khammam and Warangal who were selected under the GM’s Scheduled Tribes Entrepreneurship and Innovation Scheme for 2017-18. They will be able to establish their own industries with the help of government funding through bank linkage. In March, Mr. Kumar established ARK Agro Industries, a pulses processing unit in Etneru, having invested Rs 16 lakh including 77 lakh bank loan under the Pradhan Mantri Mudra Yojana. He supplies 100 quintals of red gram dal to all tribal ashram schools every three months and is trying to increase the client’s capacity to supply to all the tribal hostels in the district. Mr. Kumar had found it difficult to get a bank loan. He says that in the last four years his application for loan was rejected 98 times by 27 different banks.

Kumra Nihal, Atram Roashan Kumar and Kumam Laxmesh at the ISB, Hyderabad.
